

DESIGNS

Oak

Home approximately
2,558 Square feet

This design, as originally designed and prior to any changes you make, is estimated to yield approximately the number of square feet shown. All dimensions are approximate. Square footage may vary based on as-build dimensions, configurations, plan options and/or the method of calculation. Designs are not to scale, and are conceptual illustrations that may differ from construction plans or completed improvements. A design may depict features not available on all home-sites or in all communities. Bravo Country Homes reserves the right to make changes in plans and specifications, and to substitute material of similar quality. Prices, terms, promotions, plans, dimensions, features, options, amenities, elevations, designs, square footages, specifications, materials, and availability of homes or communities are subject to change without notice or obligation. All obligations will be governed by a written contract. This design does not constitute a commitment to build a particular floor plan or home in any given community. Some floor plans, options, and/or elevations may not be available on certain home-sites or in a particular community and may require additional charges. Please check with Bravo Country Homes to verify current offerings in the communities you are considering. This rendering is the property of Bravo Country Homes LLC. Any reproduction or exhibition is strictly prohibited.

Elevation

Oak

This two-story home is approximately 2,558 sf, per builder's plans, with 4 bedrooms, bonus room, dining room, breakfast area, and 3 Bathrooms. This new masonry home features a spacious kitchen with double ovens, granite counters, and custom cabinets. The large master bath has a corner tiled shower, jetted garden tub, granite topped separate vanities and a large walk-in custom closet. Crown molding and dimensional ceilings are featured throughout the home. This home is fully customizable.
