

DESIGNS

Pecan

Home approximately
2,208 Square feet

This design, as originally designed and prior to any changes you make, is estimated to yield approximately the number of square feet shown. All dimensions are approximate. Square footage may vary based on as-built dimensions, configurations, plan options and/or the method of calculation. Designs are not to scale, and are conceptual illustrations that may differ from construction plans or completed improvements. A design may depict features not available on all home-sites or in all communities. Bravo Country Homes reserves the right to make changes in plans and specifications, and to substitute material of similar quality. Prices, terms, promotions, plans, dimensions, features, options, amenities, elevations, designs, square footages, specifications, materials, and availability of homes or communities are subject to change without notice or obligation. All obligations will be governed by a written contract. This design does not constitute a commitment to build a particular floor plan or home in any given community. Some floor plans, options, and/or elevations may not be available on certain home-sites or in a particular community and may require additional charges. Please check with Bravo Country Homes to verify current offerings in the communities you are considering. This rendering is the property of Bravo Country Homes LLC. Any reproduction or exhibition is strictly prohibited.

Elevation

Pecan

This home is approximately 2,208 sf, per builder's plans, has 3 Bedrooms with a study/office and 3 Bathrooms. This masonry home features an open floor plan, spacious kitchen with custom cabinets, granite counters, stainless steel appliances, dining room, and wet bar. The large master bath has a tiled shower, granite topped vanities and jetted garden tub. Crown molding, recessed lighting, and dimensional ceilings are featured throughout the home. This home is fully customizable.
